

MERCHANT SERVICES & PAYMENT PROCESSING

Cookie Policy

Effective Date: September 1, 2026

This Cookie Policy explains how Integrity Pay Advisors ("we," "our," or "us") uses cookies and similar technologies on our website, and the choices available to you. It should be read alongside our [Privacy Policy](#).

1. What Are Cookies

Cookies are small text files placed on your device when you visit a website. They are widely used to make websites work, work more efficiently, and provide information to the site owner. Similar technologies — such as pixels, tags, and local storage — may be used alongside cookies for the same purposes and are covered by this policy.

2. How We Use Cookies

We use cookies to:

- Keep our website functioning properly, including basic navigation and form submission
- Remember choices you have made, such as cookie preferences
- Understand how visitors use our site so we can improve content and performance

We do not use cookies to sell your personal information to third parties.

3. Types of Cookies We Use

Category	Purpose	Can Be Disabled?
Essential	Required for core site functions, such as page navigation, form submission, and security. The site may not work properly without these.	No
Analytics / Performance	Help us understand how visitors interact with our site — pages viewed, time spent, and general traffic patterns — using aggregated, non-identifying data.	Yes
Preference	Remember choices you've made on our site, such as cookie consent settings, so you don't have to re-select them on each visit.	Yes

4. Third-Party Cookies

Some cookies on our site may be set by third-party services we use, such as analytics or hosting providers. These third parties may collect information about your visit in accordance with their own privacy policies. We do not control these third-party cookies directly and encourage you to review the relevant provider's policy for details.

5. Managing Your Cookie Preferences

You can control or limit cookies in several ways:

- **Cookie banner** — where available on our site, use the cookie consent banner to accept or decline non-essential cookies.
- **Browser settings** — most browsers let you view, delete, and block cookies through their settings menu. Instructions vary by browser and are available from your browser's help resources.
- **Opt-out tools** — some analytics providers offer their own opt-out mechanisms.

Please note that disabling certain cookies, particularly essential ones, may affect the functionality of our website.

6. Do Not Track

Some browsers offer a "Do Not Track" signal. Because there is no common industry standard for responding to these signals, our website does not currently respond to them differently than it would otherwise.

7. Changes to This Policy

We may update this Cookie Policy from time to time to reflect changes in our practices or for legal or operational reasons. When we do, we will revise the effective date at the top of this page.

8. Contact Us

If you have questions about our use of cookies, please contact us:
